**CHARLESWOOD BRANCH NO. 100**

Please find below a message received from Manitoba Northwest Ontario Command pertaining to “Branch Meetings” dated: 27 August 2020

“Dear Comrades,

Provincial Headquarters has received numerous queries relative to the ability to hold a General Meeting while keeping proper social distancing. The concerns lie in not being able to have the space for all members to attend and having to turn some away. **UNLESS YOU ARE ABLE TO ACCOMMODATE EVERYONE PLEASE DO NOT HOLD A GENERAL MEETING.**

Our Dominion General Bylaws in conjunction with An Act to Incorporate the Royal Canadian Legion allow for Executive Committee members to govern their branch between meetings. Please continue with conducting branch business at your Executive Meetings while ensuring meticulous minutes are recorded as you must bring ALL business conducted at these Executive Meetings to your first General Meeting for ratification.

Comrades, this applies to District Meetings and Zone Meetings.

Reminder: Gathering size in both Manitoba and NWO is maximum of 50 indoors and 100 outdoors while maintaining social distancing.

I would also recommend that you make masks mandatory at your meetings.

If you have any questions, please contact myself or your District Commander.

Thank-you.

Stay well!
